**INVITATION TO PRENOTICE PUBLIC DISCUSSIONS ON
EYEWITNESS IDENTIFICATION PROCEDURES**

The California Department of Insurance will conduct prenotice public discussions regarding contemplated addition to California Code of Regulations, Title 10, Chapter 5, Subchapter 9, Article 1, sections 2698.22, 2698.23, 2698.24, 2698.25, and 2698.26.

You are invited to participate in the prenotice public discussion. The purpose of these discussions is to provide interested and affected persons an opportunity to present statements or comments regarding the contemplated regulation changes.

Although the Department ordinarily prefers in-person participation, due to unique circumstances, the Department is also offering a moderated call-in line for this workshop. Please be advised that call-in participation is often difficult and the Department cannot guarantee that persons who decide to call in will be able to participate as fully as those who appear in-person.

Regulation Text. For purposes of promoting discussion, a draft of the text of the proposed regulatory changes is attached. Participants should be prepared to present specific comments on

the attached draft regulation text during the public discussions. Participants are also invited to submit written statements and are encouraged to provide supporting documents and materials as well.

This is Not a Formal Public Hearing on Proposed Regulations. Please be advised that participation in these prenotice public discussions will be in addition to, and not in substitution for, any participation in any formal rulemaking process that may follow. This invitation to the prenotice public discussions does not constitute a Notice of Proposed Action. Consequently, comments (oral or written) received in connection with these prenotice public discussions will not be included in any record of rulemaking that may follow. Similarly, the Department is not required to respond to comments received in connection with the prenotice public discussions. For this reason, if you wish to have comments included in any rulemaking file that may follow, or if you wish to have the California Department of Insurance respond to your comments as part of the process by which it adopts this regulation, you must present your comments during the public comment period according to the procedures outlined in a Notice of Proposed Action (to be issued in the future). Again, comments submitted in connection with these prenotice public discussions will not be considered in any subsequent rulemaking proceeding unless they are resubmitted after the Notice of Proposed Action is issued. However, the Commissioner will consider public comments received in these prenotice public discussions as he contemplates regulatory changes that may be proposed in a Notice of Proposed Action.

Contact Persons. All substantive questions and concerns regarding the contemplated regulations and/or these public discussions should be directed to Damon Diederich.
